

# DUO REVELIO

Duo Revelio consists of Anissa Baniahmad (flute) and Jesse Flowers (guitar).

After meeting at the Deutscher Musikwettbewerb in 2019, they took part in the National Concerts for Young Artists season, resulting in 12 recitals across Germany. Their performances have been well received by critics and audiences alike, especially their interpretation of Piazzolla's famous *Histoire du Tango*.

They have a shared interest in exploring the repertoire for flute and guitar, even expanding it with new arrangements, such as that of Mozart and Bach.
